HEALTH & SAFETY REPORT

The Village hall functions have had to be restricted due to the current Coronavirus outbreak. The Government Lock-down has meant that all functions have had to cease whilst Kent is in either Tier 2, Tier 3 or Tier 4 restrictions

Arrangements have been made by the Booking Secretary and Safety Adviser to allow access when the Government restrictions have been lifted sufficiently to allow indoor access for groups, these restrictions are mandatory and listed below.

Covid 19 restrictions for the Brook village Hall

1. Access to village hall will only be permissible when Brook is subject to Tier 1 restrictions
2. All access must be booked in advance with the Booking Secretary
3. On arrival at the Hall, all personnel must:
 - Provide details as to how they can be contacted, if required
 - Sanitise their hands on entry and on final exit
 - Wear a suitable face covering
 - Maintain social distancing, i.e. 2 metres
 - Do not shout, sing or speak loudly

While the Hall is subject to Tier 2, Tier 3 or Tier 4 restrictions no access is allowed except for emergencies.
